

Thomson Reuters Awards for Excellence

Europe : 2013 Industry Analyst Awards

AlphaValue ranked #3 – by number of analysts

Paris, Sept 5th 2013 - Following the full release of 2013 Starmine Awards on european stocks analysts, and for its second participation, AlphaValue is pleased to report that 5 of its analysts are Top Stock Pickers on european stocks for their sector (Chemicals, Financial Services, Industrial, Personal & Luxury Products).

This confirms that non-conflicted equity research is increasingly recognized as a source of alpha for many top fund managers worldwide.
